## ABOUT CONCERN

In 1968, **Concern Worldwide** began as a small grassroots movement focused on alleviating human suffering in response to a single emergency in one country. Almost **60 years later**, it is because of supporters like you that we celebrate over half a century of steadfast commitment to ending extreme poverty - whatever it takes - **for the world's most vulnerable communities** in the hardest-to-reach places across **24 countries**.

As the need remains greater than ever, we are more determined than ever to **address the causes and consequences of extreme poverty** - including **hunger**.

By maintaining deep roots from our earliest days in effective emergency response, **Concern Worldwide** is proud to stand as a global team that turns your concern into action by powering long-term, **community-driven solutions** to ensure that the most vulnerable communities we partner with have the opportunities and choices essential to **long, healthy, and creative lives**.

## WHAT TO EXPECT

Now celebrating its 5th Anniversary, Concern Boston reflects both its Irish heritage and its global mission. Our story is shaped by Irish roots—but our vision extends far beyond, grounded in the belief that no human potential should go unfulfilled due to poverty, disaster, or crisis.

Last year, across our Unite to Fight Hunger series, we raised **over \$1.5 million** for life-saving health and nutrition programs, at a time when a global food crisis put millions at risk.

Join us and help commemorate the 5<sup>th</sup> Anniversary of the Concern Unite to Fight Hunger: Boston Soirée - an immersive evening spotlighting Concern's global impact, with **live music, passed hors d'oeuvres, and powerful stories from the front lines** of the fight against hunger.

Together, let's **unite to fight extreme hunger** - and continue to build a world where everyone has a chance to thrive.

**Wednesday, October 7<sup>th</sup>, 2026, Harvard Club Boston, 374 Commonwealth Avenue, Boston, MA 02215**
